Olivia Cornwell
Olivia was born and raised in Findlay and writes speculative fiction that explores stories of found family, redemption, magic, and characters with fire in their hearts.

Leslie Gulvas
Also writing as Lee Gull and Skeeter Enright, Leslie writes about everything, from thrillers, to children's picture books, ghost stories, and urban fantasy. The unifying thread is that her stories give insight into different times and cultures.

R.S. Hamilton
R.S. Hamilton has been writing short stories and novels behind closed doors for thirty years. Over three decades, his work has been stored in drawers, on floppy disks, thumb drives, and to the cloud. He writes for one reason: he loves it!

Kim Kintner
Kim Kintner is a Christian author (and splotch) from Findlay. She has written multiple inspiring children’s books as well as a guided journaling book leading adults in a closer walk with God.

T.C. Kissel
T.C. writes fantasy novels with vivid characters who discover who they are in the midst of chaos and adventure. She hopes that her books will reach a wide audience and help each person realize God cares about every detail of our lives.

Barbara Lockard
Originally from Cincinnati, Barbara writes short, humorous pieces about her childhood in the 1950’s, attending Catholic school, and the difference in parenting styles between now and then.

Ethan Marialke
A Findlay author, Ethan started writing when he was 17 to pass the time. Now he hopes to make writing a part-time gig. His primary focus is on works of fantasy, but he plans to dabble in all sorts of genres.

Louis Thomas Masterson
A Cleveland-area author, Lou writes thriller-espionage action stories with an historical event serving as background. His books always have a surprise twist at the end.
Author Fest

Josh Nealis
Josh is the founder of Cutthroat Comics, Ohio’s most offbeat publisher since 2015. He’s written numerous novels and comics, from comedy, to sci-fi, to romance, to things no one should ever read.

Emilia Rosa
Emilia was raised in Brazil. Her love for the sea and Rio de Janeiro, as well as that city’s history, permeates the pages of her books.

Tyler Porter
A Findlay author of crime, suspense, and psychological thrillers, Tyler has readers in over 40 countries. He has always had an active imagination and loves creating stories that keep readers on the edge of their seats.

A tale of two people finding love and happiness when not looking for it.

Mary Stockwell
Mary is from Toledo and writes narrative history that brings the past to life. Her works focus on Native American history and America’s early national history.

Why did the cross-armed hero of the American Revolution become its most scandalous general?

Jennifer Pullen
A Findlay author, Jennifer specializes in myth and fairy tale retellings for adults, as well as fantasy fiction. Her book, A Bead of Amber on Her Tongue, won the Fabulist Fiction award.

A fresh tale on the tales of Troy and Troyes.

D.M. Testa
Inspired by a childhood sport sliding across the marble floors of a bank. John Dillinger robbed. Denise tells the overlooked story of two female attorneys in the 1930s.

Thomas Riccardi
Thomas is an author from Clyde, Ohio. His cookbook, La Famiglia Riccardi, contains many of his family's favorite Italian recipes, passed down from “Mama” Riccardi herself.
